---

## EDUCATION

Kansas State University, Manhattan, KS  
B.S. in Mechanical Engineering, Minor in Mathematics  
GPA: 3.96

Anticipated: May 2023

## EXPERIENCE

**Accent Controls Inc.**, North Kansas City, MO  
Automation Controls Intern

May 2022 - August 2022

- Produced Ethernet network and wiring schematics, LOTO safety placards, and as-built drawings based on automotive industry standards, and received training on the basics of relay logic and PLCs
- Aided in the commissioning of Tesla's general assembly end of line conveyor system for the Model Y, and provided technical support after the install
- Performed power calculations, control panel QC, and validated sensors and HMIs to confirm the safety of systems
- Completed the layout, drawings, and wiring for an in-house conveyor system for use with the testing of new products and programs

**I-Con Solutions Inc.**, Wichita, KS  
Business Intern

June 2021 - August 2021

- Managed the transfer of data from I-Con's previous inventory management system into Fishbowl
- Created call campaign logs using NAICS codes to give the sales team a competitive edge
- Led the acquisition of a new industrial equipment product line and helped identify customer's needs

**Maya America**, Iola, KS  
Engineering Intern

June 2020 - August 2020

- Identified improvement areas in shipping and increased efficiency in assembly of corn harvesting equipment
- Developed an inventory management system to better track location of parts and increase shipping output
- Coordinated delivery of equipment to customers across the midwest

## LEADERSHIP & COMMUNITY ACTIVITIES

Acacia Fraternity, *President*
